8.5 m	2.8 m	Yacht ce	2608 kg

OUTMANEUVER

A shallow draft and no propeller to destroy let you navigate and explore new waters readily. The ROTAX® iNR (intelligent neutral and reverse) gate outmaneuvers any comparable jet reverse system without gizmos and extra paddles on the steering wheel. It just works.

ADJUST ON-THE-FLY

Customizing how your Scarab handles at the dock is simple and intuitive. Rotax iNR® (intelligent neutral and reverse) gate plus intelligent throttle modes combine to give you unmatched maneuverability on the water.

THE OUTPERFORMER

OUTPROTECT

3 yr ROTAX

Along with our factory warranty, ROTAX® stands behind every engine with its industry-leading 3-year limited warranty.

COMPONENTS

Our exclusive factory warranty covers material, labor, and most boat components for three years; exceptions apply. Our service experts use state-of-the-art software technology for claim processing, a direct link to the craftsmen that manufacture your boat. Trailer warranty is limited to one year.

HULL STRUCTURE

A lifetime structural hull or deck warranty applies to the first retail owner. A testimony of hull design and structural engineering makes the warranty transferable to the second owner; limitations apply.

OSMOSIS

A prorated warranty covers osmotic blistering for five years. In addition, our engineered Vinyl Ester barrier coat has the best track record in the industry for minimizing hull blistering—a process of construction that gives you peace of mind.
