***ELEVATE TO THE NEW PLATFORM
OF EXHILARATION.***

ROTAX[®] THE MOST PROVEN TECHNOLOGY IN JET PROPULSION.

THE LEGENDARY ROTAX 4-TEC ENGINE:

- OVER 650,000 CURRENTLY IN OPERATION
- STILL THE POWER INSIDE MOST SEA-DOO[®] PWC MODELS
- THREE POWER LEVELS FROM ONE PROVEN BLOCK

INNOVATIVE FEATURES

- A** **CLOSED-LOOP ENGINE COOLING** protects the engine from harmful salt, gunk and corrosion by cooling it with clean coolant like a car. Like your car, every Scarab has a thermostat to ensure optimal engine temperature for engine reliability.
- B** **DRIVE SHAFT SLEEVE** helps prevent the problem of wrapping debris, such as tow ropes and weeds, around drive shaft. Other systems can only try to fix the problem after it occurs.
- C** **LATERAL THRUST CONTROL** delivers quicker reverse. Unlike other boats, which feature a small, plastic reverse gate, our aluminum reverse gate offers unmatched low-speed maneuverability to make docking a breeze.
- !** **iNR (INTELLIGENT NEUTRAL & REVERSE)** A game changing feature for jet propulsion. iNR system allows you to adjust your boat's neutral speed on-the-fly greatly increasing low-speed maneuverability. The iNR system also delivers smooth, predictable deceleration when shifting to reverse while underway.

WINNING EDGE NORTH AMERICAN OWNER PROTECTION PLAN

2018 LIMITED WARRANTY FIBERGLASS BOATS & TRAILERS

Rec Boat Holdings, LLC dba Scarab ("Scarab") warrants to you, the first North American retail purchaser of this 2018 model year Scarab boat and/or trailer or a second North American retail purchaser as noted below ("you"), that it will repair or replace, at its sole discretion, defects in materials or workmanship that occur and are reported to Scarab, or its factory authorized dealer, within the applicable limited warranty periods, subject to the terms, conditions and exclusions set forth below. Your acceptance of delivery of the warranted Scarab boat and/or trailer constitutes your acceptance of the terms of this limited warranty. This limited warranty gives you specific legal rights and you may have other rights which may vary from state to state.

This limited warranty is the sole and exclusive express warranty from Scarab regarding your 2018 Scarab boat and/or trailer and there are no express warranties which extend beyond those outlined in this limited warranty. There are no implied warranties from Scarab, unless otherwise required under applicable law, and ALL IMPLIED WARRANTIES (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE EXCLUDED AND DISCLAIMED WHERE ALLOWED BY APPLICABLE LAW. ANY IMPLIED WARRANTIES (IF APPLICABLE) ARE LIMITED TO THE MINIMUM PERIOD OF TIME ALLOWED UNDER APPLICABLE LAW. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

COVERAGE UNDER THIS LIMITED WARRANTY

Trailer Limited Warranty: The limited warranty period runs for one (1) year for defects in trailer components, except as noted below.

Exterior Cosmetic Gel Coat Limited Warranty: The limited warranty period runs for one (1) year for defects in the boat's exterior cosmetic gel coat, including cracking, crazing, discoloring and fading, except as noted below.

Non-Structural Parts And Components Limited Warranty: The limited warranty period runs for three (3) years for defects in the boat's non-structural parts and components, except as noted below. (\$100 deductible per warranty claim for years 2 & 3).

Osmotic Hull Blister Limited Warranty: The limited warranty period to the first North American retail purchaser runs for five (5) years, except as noted below, for osmotic Hull (defined below) blisters on the boat, which are defined as blisters larger than 1/8" diameter and with a depth of 1/16" or greater, which occur on the boat Hull below the waterline. This limited warranty is not transferable to a second North American retail purchaser.

If the boat is bottom painted or left in water for more than sixty (60) days in any ninety (90) day period, this limited warranty will only apply if a marine barrier coating with proper surface preparation is applied to the boat Hull before it is bottom painted or left in water for more than sixty (60) days in any ninety (90) day period.

In the event of osmotic blistering, Scarab must approve of any repairs, and their method and cost, **before** the repairs are performed, for this limited warranty to apply. Once any repairs are completed, a marine barrier coating will be applied to the affected Hull surface area(s).

Repairs under this osmotic Hull blister limited warranty are limited to one time. Any repair costs covered under this limited warranty are limited to labor and materials only. They will be paid on a prorated basis, according to the schedule outlined below. The repair costs cannot exceed \$150 (US) per foot of boat length prior to the prorating outlined below:

OSMOTIC HULL BLISTERING REPORTED TO SCARAB:	AMOUNT OF REPAIR COSTS PAID:
LESS THAN TWO (2) YEARS FROM DATE OF DELIVERY	100%
TWO (2) TO LESS THAN THREE (3) YEARS FROM DATE OF DELIVERY	75%
THREE (3) TO LESS THAN FOUR (4) YEARS FROM DATE OF DELIVERY	50%
FOUR (4) TO FIVE (5) YEARS FROM DATE OF DELIVERY	25%

Structural Hull Or Deck Limited Warranty: The limited warranty period to the first North American retail purchaser runs for the duration of the first North American retail purchaser's period of ownership for Structural Hull or Deck Defects (defined below), except as noted below. The limited warranty period to the second (if applicable) North American retail purchaser runs for ten (10) years for Structural Hull or Deck Defects, except as noted below. For purposes of this limited warranty, the "Hull" shall mean the single fiberglass molded shell and integral structural within the shell, including stringers, floorboards, transom and related structural reinforcements, all of which are below the Hull flange (i.e. gunwale) and the "Deck" shall mean the single fiberglass molded shell and integral fiberglass structural components above the Hull flange (i.e. gunwale). A "Structural Hull or Deck Defect" shall mean a substantial defect in the boat's Hull or Deck, which causes the boat to be unfit or unsafe for use as a pleasure craft under normal operating conditions.

The applicable limited warranty period, for both the First and Second (if applicable) North American retail purchasers, runs from the date of delivery of the boat and/or trailer to the first North American retail purchaser, provided that the boat and/or trailer is delivered to that purchaser within twelve (12) months from the date of its manufacture. For a boat and/or trailer delivered to that purchaser more than twelve (12) months after the date of its manufacture, the limited warranty period runs from the date of its manufacture, not from the date the boat and/or trailer was delivered to that purchaser. For a boat and/or trailer delivered to that purchaser more than twelve (12) months and up to thirty-six (36) months after its date of manufacture, the selling dealer will be required to submit a condition report on the boat and/or trailer with photos to Scarab before delivery of the boat and/or trailer to that purchaser; Scarab will then determine and advise what limited warranty coverage remains in effect on the boat and/or the trailer, if any. For a boat and/or trailer delivered to that purchaser more than thirty-six (36) months after the date of its manufacture, only the structural limited warranty on the boat will be in effect; all other limited warranties are voided. All limited warranties run concurrently.

Certain portions of this limited warranty, as noted above, extend only to the first North American retail purchaser. Other portions of this limited warranty, as noted above, may be transferred to a second North American retail purchaser, if the transfer occurs within five (5) years of the boat's and/or trailer's sale to the first North American retail purchaser, for a non-refundable recording fee of \$300 (US), provided the second North American retail purchaser purchases the boat and/or trailer from the first North American retail purchaser or an authorized Scarab dealer. To transfer the limited warranty, the second North American retail purchaser or the authorized Scarab dealer must send to Scarab, within fifteen (15) days of the boat's and/or trailer's purchase, at the address noted below, the: 1) first North American retail purchaser's plastic registration

card, if available; 2) proof of the purchase; and 3) the non-refundable recording fee made payable to Rec Boat Holdings, LLC dba Scarab. This limited warranty may only be transferred **once**. The applicable limited warranty period for both the first and second International retail purchaser runs from the date of delivery of the boat to the first International retail purchaser, provided that the boat is delivered to that purchaser within twelve (12) months from the date of its manufacture. For a boat delivered to that purchaser more than twelve (12) months after the date of its manufacture, the limited warranty period runs from the date of its manufacture, not from the date the boat was delivered to that purchaser. For a boat delivered to that purchaser more than twelve (12) months and up to thirty-six (36) months after its date of manufacture, the selling dealer will be required to submit a condition report on the boat with photos to Scarab before delivery of the boat to the first International retail purchaser; Scarab will then determine and advise what limited warranty coverage remains in effect on the boat, if any. For a boat delivered to that purchaser more than thirty-six (36) months after the date of its manufacture, only the structural limited warranty on the boat will be in effect; all other limited warranties are voided. All limited warranties run concurrently.

Certain portions of this limited warranty, as noted above, extend only to the first International retail purchaser. Other portions of this limited warranty, as noted above, may be transferred to a second International retail purchaser, if the transfer occurs within five (5) years of the boat's sale to the first International retail purchaser, for a non-refundable recording fee of \$300 (US), provided the second International retail purchaser purchases the boat from the first International retail purchaser or an authorized Scarab dealer. To transfer the limited warranty, the second International retail purchaser or the authorized Scarab dealer must send to Scarab, within fifteen (15) days of the boat's purchase, at the address noted below, the: 1) first International retail purchaser's plastic registration card, if available; 2) proof of the purchase; and 3) the non-refundable recording fee made payable to Rec Boat Holdings, LLC dba Scarab. This limited warranty may only be transferred **once**. Scarab will confirm all limited warranty

transfers, in writing, to the authorized Scarab dealer and/or second International retail purchaser via email. Scarab reserves the right to reject a limited warranty transfer request for a Scarab boat that has been damaged, neglected or otherwise previously excluded from limited warranty coverage.

PRE-DELIVERY SERVICE AND LIMITED WARRANTY REGISTRATION

Prior to delivering a new Scarab boat to the first International retail purchaser, the authorized dealer is required to inspect and perform all necessary pre-delivery services including completing the "Pre-Delivery Service Record" portion of the limited warranty. Any cost associated with the pre-delivery inspection is the responsibility of the first International retail purchaser. No limited warranty coverage is applicable to the boat unless these forms are completed, signed and returned to Scarab at the address indicated below, or via an authorized Scarab dealer's online dealer extranet. All information received by Scarab via the limited warranty registration or transfer process shall be the property of Scarab, and submission of information, directly or indirectly, via the limited warranty registration process shall, to the extent permitted by applicable law, be deemed to constitute consent by the purchaser and dealer to Scarab's use of such information at any time for all purposes allowed by law, including use of that information by third parties selected by Scarab. All limited warranty work must be performed at an authorized dealer or a sublet repair facility chosen by an authorized dealer, at the Scarab factory, or at another repair facility approved by Scarab. You are responsible for the expense associated with transporting the boat to and from the repair facility. Scarab must receive written notice of all limited warranty claims prior to the expiration of this limited warranty and be allowed an opportunity to resolve them.

To obtain limited warranty service, you must return the boat, including any alleged defective part, to an authorized Scarab dealer and present the Owner's Registration Card. If necessary, you should call Scarab for assistance to locate the nearest Scarab dealer in your area. The following procedures will apply to a warranty claim:

- A. The dealer will contact and receive an authorization number from Scarab for repairs.
- B. Upon completion of repairs, you must pay the dealer for non-covered items.
- C. You assume all liability for payment of non-authorized repairs.
- D. You must sign the Scarab limited warranty claim form if the claim is not submitted through the Scarab extranet by the dealer.

If sublet limited warranty repairs are required for any reason, the authorized Scarab dealer will be responsible for choosing a qualified and reputable repair facility and the authorized Scarab Dealer will be responsible for all work performed by the sublet repair facility. Before referring any work to a sublet repair facility, the authorized Scarab dealer must submit a written estimate to Scarab's claims department to obtain written pre-authorization (including a claim authorization number). Scarab will not honor or pay for claims submitted for repairs by sublet repair facilities unless this procedure has been followed. Scarab will not authorize or pay for sublet repairs initiated because of a lack of dealer service facilities.

This document contains the entire limited warranty provided by Scarab. Any questions concerning the scope of this limited warranty should be directed to Scarab.
