

Scarab has always been synonymous with performance, but we're constantly evolving and taking the boating experience to the next level. Performance now means not only speed but also agility and handling, going where you want, exploring new waters, and providing new water activities. Scarab, bold styling with unlimited options and ways to customize—the next generation is here. Scarab THE OUTPERFORMER.

 **THE OUTPERFORMER**

**COMPONENTS**

Our exclusive factory warranty covers material, labor, and most boat components for three years; exceptions apply. Our service experts use state-of-the-art software technology for claim processing; a direct link to the craftsmen that manufacture your boat. *Trailer warranty limited to one year.*

**HULL STRUCTURE**

A lifetime structural hull or deck warranty applies to the first retail owner. A testimony of hull design and structural engineering makes the warranty transferable to the second owner; limitations apply.

**OSMOSIS**

A prorated warranty covers osmotic blistering for five years. Our engineered Vinyl Ester barrier coat has the best track record in the industry for minimizing hull blistering—a process of construction that gives you peace of mind.
